Independent Auditors' Report To the Shareholders of Standard Bank PLC

Report on the Audit of the Consolidated and Separate Financial Statements

Opinion

We have audited the consolidated financial statements of Standard Bank PLC and its subsidiaries (the "Group") as well as the separate financial statements of Standard Bank PLC (the "Bank"), which comprise the consolidated and separate balance sheets as at 31 December 2024, and the consolidated and separate profit and loss accounts, consolidated and separate statement of changes in equity, and the consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statement of the bank give a true and fair view as per disclosure in Note no. 7.9, 7.10, 13.9 and 34(a) of the consolidated financial position of the Group and the separate financial position of the bank as at 31 December 2024, and of its consolidated and separate profit and loss account and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note 2.00.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), guidelines of Bangladesh Bank and Bangladesh Securities and Exchange Commission (BSEC), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We have applied safeguards, including independent quality reviews, to maintain our independence in this audit. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw attention to the Note nos. 7.9, 7.10 and 13.9 of the financial statements wherein, the Bank has disclosed a provision shortfall as per letter no. DOS (CAMS)/1157/41(Dividend)2025-3117 dated 22.05.2025 and permitted to finalize the audited financial statements without additional provision during the year. Besides, the Bangladesh Bank has also asked Standard Bank PLC to submit realistic time bound provision plan approved by Board of Directors for overcoming this shortfall provision against Investments and others.

Our opinion is not modified in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of the most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context

of our audit of the consolidated and separate financial statements as a whole, and informing our opinion, except where noted otherwise:

Description of key audit matters	Our response and result to key audit matters
Measurement of provision for investments	
<p>The process for estimating the provision for investment portfolios associated with credit risk is significant, judgmental and complex.</p> <p>For the individual analysis for large exposure, provision calculation considers the estimates of future business performance and the market value of the collateral provided for credit transactions.</p> <p>For the collective analysis of exposure on a portfolio basis, provision calculation and reporting are manually processed that deal with voluminous databases, assumptions and estimates.</p> <p>Due to the high level of judgment involved and using the manual process in estimating the provision for investment, we considered this to be a key audit matter.</p> <p>At year end the Group and the Bank reported total gross investments of Taka 203,615.56 million (2023: BDT 193,882.04 million) and BDT 199,192.71 million (2023: BDT 189,704.09 million) respectively, and provision for investments At year end the Bank reported BDT 7,829.03 million (2023: BDT 5,367.96 million)</p> <p>We have focused on the following significant judgements and estimates which could give rise to material misstatement or management bias:</p> <ul style="list-style-type: none"> • Completeness and timing of recognition of loss events in accordance with criteria set out in BRPD circular no. 14 dated 23 September 2012 and BRPD circular no. 03 dated 21 April 2019 and BRPD circular no. 11 dated 20 June 2023 and BRPD Circular No. 15 dated 27 November 2024; and • For individually assessed provisions, the measurement of the provision may be dependent on the valuation of collateral, estimates of exit values and the timing of cash flows; <p>Provision measurement is primarily dependent upon key assumptions relating to probability of default,</p>	<p>We tested the design and operating effectiveness of key controls focusing on the following:</p> <ul style="list-style-type: none"> • Credit appraisal, investment disbursement procedures, monitoring and provisioning process; • Completeness of appropriate documentation before disbursement of investments as well as recording of investment balance; • Alternate procedures applied by management to assess new investment/renewal of existing investments where latest audited financial statements of the borrower is not available; • Identification of loss events, including early warning and default warning indicators; • Review of quarterly Classification of Loans (CL); <p>Our substantive procedures in relation to the provision for investments portfolio comprised the following:</p> <ul style="list-style-type: none"> • Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines; • Assessed the methodologies on which the provision amounts are based, recalculated the provisions and tested the completeness and accuracy of the underlying information; • Evaluated the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines. • Finally, reviewed the amount of provision requirement as determined by Bangladesh Bank inspection team and the External audit team. <p>Due to long-term impact of COVID-19, the macro-economic global crisis caused by the Russia-Ukraine war, Israel-Palestine War and July-Uprising in Bangladesh, many borrowers were adversely impacted during the year. Accordingly, Bangladesh Bank has given certain flexibility from classification requirement for investments vide issuing various circulars such as BRPD 14 dated 22 June 2022, BRPD 51 dated 18 December 2022, BRPD 11 dated 20 June 2023 and BRPD Circular No. 15 dated 27 November 2024.</p> <p>The Bank has a shortfall in provision against investments and others as per Bangladesh Bank, letter no. DOS (CAMS)/1157/41(Dividend)2025-3117 dated</p>

Non-Performing Investments	
Investments are the main element of financial statements of the Bank. Income of the Bank is mainly dependent on the portfolio of Investments. Management performance is highly dependent on the target achievement of loans and advances. Loan disbursement requires robust documentation followed by approval from appropriate level of authority. We have identified Investments as key audit matter because there is an inherent risk of fraud in disbursement of Investments by management to meet specific targets or expectations.	We have tested the design and operating effectiveness of key controls focusing on credit appraisal, investment disbursement procedures and monitoring process as well as the percentage of non-performing investment of comparing to the total investments. Besides, we have performed procedure to check whether the Bank has ensured appropriate documentation as per Bangladesh Bank regulations and the Bank's policy before disbursement of Investments. On sample basis verification of selected Investments, we have observed some documentation and procedural discrepancy and security gap against some investments, not aligning with the expected level. In addition, we have performed procedure to check whether the investments is recorded completely and accurately and that are existed at the reporting date. Furthermore, we have assessed the appropriateness of disclosure against Bangladesh Bank guidelines.
See note no 7.8 to the financial statements.	

Description of key audit matters	Our response and result to key audit matters
Recognition of investment income	
Recognition of Investment income has a significant and wide influence on financial statements. Recognition and measurement of Investment income has involvement of complex IT environments. We identify recognition of Investment income as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in the recognition of Investment income by management to meet specific targets or expectations. At year end the Group and the Bank reported total gross investment income of BDT 16,875.88 million (2023: BDT 13,148.61 million) and BDT 16,782.32 million (2023: BDT 13,085.64 million).	We tested the design and operating effectiveness of key controls over the recognition and measurement of investment income. We performed tests of operating effectiveness on automated control in place to measure and recognise investment income. We have also performed substantive procedures to check whether investment income is recognised completely and accurately. We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines. We performed several analytical and substantive procedures to check whether the calculations relating to the investment income, profit paid on deposits and

	<p>borrowings etc. and the EPS are accurate or not.</p> <p>Finally, we also conducted substantive analytical procedures to assess reasonableness of investment income recognized during the year with reference to the product wise outstanding Investment balances.</p>
See note no. 18.3(a) & 18.1 to the financial statements	

Description of key audit matters	Our response and result to key audit matters
Measurement of deferred tax assets (DTA)	
<p>At year end the Bank reported total deferred tax assets of Taka 477.33 million (2023: Taka 467.96 million) and deferred tax income of Taka 9.37 million (2023: Taka 129.11 million) respectively.</p> <p>Significant judgment is required in relation to deferred tax assets, as their recoverability is dependent on forecasts of future profitability over a number of periods.</p> <p>Accordingly, this area has been considered as key audit matter.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank's key controls over the recognition and measurement of DTAs and the assumptions used.</p> <p>We also assessed the completeness and accuracy of the data used. We involved tax specialists to assess key assumptions, controls, recognition and measurement of DTAs.</p> <p>Finally, assessed the appropriateness and presentation of disclosures against IAS 12 Income Tax.</p>
See note no. 9.6 to the financial statements	

Description of key audit matters	Our response and result to key audit matters
Impairment assessment of unquoted investments	
<p>In the absence of a quoted price in an active market, the fair value of unquoted shares and bonds, especially any impairment is calculated using valuation techniques which may take into consideration direct or indirect unobservable market data and hence require an elevated level of judgment.</p> <p>At year end the Bank reported total Unquoted share of Taka 5,439.32 million BDT (2023: Taka 5,422.72 million BDT)</p>	<p>We have assessed the processes and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process.</p> <p>We tested a sample of investments valuation as at 31 December 2024 and compared our results to the recorded value.</p> <p>Finally, we assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</p>
See note no. 6.2 to the financial statements	

Description of key audit matters	Our response and result to key audit matters
IT systems and controls	
<p>Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.</p> <p>Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment.</p>	<p>We tested the design and operating effectiveness of the Bank's IT access controls over the information systems that are critical to financial reporting.</p> <p>We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.</p> <p>We tested the Bank's periodic review of access rights</p>

Description of key audit matters	Our response and result to key audit matters
IT systems and controls	
These are key to ensuring IT dependent and application-based controls are operating effectively.	<p>and reviewed requests of changes to systems for appropriate approval and authorization.</p> <p>We considered the control environment relating to various interfaces, configurations and other application layer controls identified as key to our audit.</p>

Description of key audit matters	Our response and result to key audit matters
Legal, regulatory matters and Contingent Liabilities	
<p>We focused on legal and regulatory matters because the Group and the Bank operate in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.</p> <p>These uncertainties inherently affect the amount and timing of potential outflows with respect to the provisions and other contingent liabilities.</p> <p>Overall, the legal provision represents the Group's best estimate for existing legal matters that have a probable and estimable impact on the Group's financial position.</p> <p>The Bank has disclosed contingent liabilities amounting to BDT 74.75 billion at the year ended on December 31, 2024 (2023 BDT 61.68 billion).</p> <p>As per IAS 37 Contingent liabilities are not required to be recognized but disclosed in the financial statements.</p>	<p>We obtained an understanding, evaluated the design and tested the operational effectiveness of the Group's and the Bank's key controls over the legal compliances. We enquired to those charged with governance to obtain their view on the status of all significant litigation and regulatory matters.</p> <p>We enquired of the Group's and the Bank's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports.</p> <p>We assessed the methodologies on which the provision amounts are based, recalculated the provisions, and tested the completeness and accuracy of the underlying information.</p> <p>We also assessed the Group's and the Bank's provisions and contingent liabilities disclosure in the financial statements as per provisions of IAS 37: Provisions, Contingent Liabilities and Contingent Assets.</p>

Reporting on Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to management and those charged with governance to correct the material misstatement.

Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation for the consolidated and separate financial statements of the Group and also separate financial statements of the Bank in accordance with International Financial Reporting Standards (IFRSs) as explained in note 2.3, and comply with the Banking Company Act, 1991 (as amended up to date), the companies Act, 1994 the Rules and Regulations issued by the Bangladesh Bank, the Rules and Regulations issued by Bangladesh Securities and Exchanges Commission (BSEC), and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act 1991 (as amended up to date) and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, Management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the

related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.

- evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Bank to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

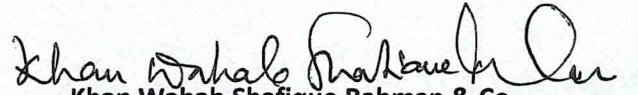

In accordance with the applicable provisions of Companies Act, 1994, the Securities and Exchange Rules 2020, the Bank Company Act, 1991 (as amended up to date) and the rules and regulations issued by Bangladesh Bank for these financial statements, we also report that:

- (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (b) to the extent noted during the course of our audit work performed on the basis stated under the 'Auditors' Responsibility' section in forming the above opinion on the financial statements of the Bank and considering the reports of the management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated in the 'Management's Responsibility' section for the financial statements and internal control as under:
 - (i) internal audit, internal control and risk management arrangements of the Group, as disclosed in the financial statements, appeared to be adequate;
 - (ii) nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Bank other than matter disclosed in the financial statements.
- (c) Financial statements for the year ended 31 December 2024 of subsidiaries; SBL Capital Limited, Standard Bank Securities Limited, Standard Express (USA) Ltd. and Standard Exchange Co. (UK) Ltd. have been audited and properly reflected in the consolidated financial statements;
- (d) in our opinion, proper books of account as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books;

- (e) the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements;
- (f) the consolidated balance sheet and consolidated profit and loss account of the Group and the separate balance sheet and separate profit and loss account of the Bank together with the annexed notes dealt with by the report are in agreement with the books of account and returns;
- (g) the expenditures incurred were for the purpose of the Bank's business for the year;
- (h) the consolidated financial statements of the Group and the separate financial statement of the Bank have been drawn up in conformity with prevailing rules, regulations and International Financial Reporting Standards (IFRSs) as explained in note 2.00 as well as with related guidelines issued by Bangladesh Bank.
- (i) provisions have been made for Investment and other as per Bangladesh Bank's letter DOS(CAMS)1157/41(DIVIDEND)/2025-3117 dated 22 May 2025.
- (j) the information and explanations required by us have been received and found satisfactory.
- (k) we have reviewed over 80.02% of the risk-weighted assets of the Bank and we have spent around 7,053 person hours for the audit of the books and accounts of the Bank.
- (l) the bank is required to maintain minimum capital to risk weighted assets (CRAR) 10% and 12.50% with conservation buffer, where the bank has maintained CRAR 15.65%.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance

The financial statements of the Bank have been prepared in accordance with "First Schedule" (section 38) of the Bank Companies Act, 1991 (amendment upto 2018) , International Financial Reporting Standards (IFRSs) and the requirements of the Banking Companies Act,1991 (amendment upto 2018), the rules and regulations issued by Bangladesh Bank, the Companies Act,1994, Bangladesh Securities and Exchange Rules, 1987; Bangladesh Securities and Exchange Ordinance,1969; Bangladesh Securities and Exchange Act, 1993 and Bangladesh Securities and Exchange Commission (Public Issue) Rules 2015 and amendments thereon, The Income Tax Ordinance, 1984, and amendments thereon, The Value Added Tax Act, 2012, The Value Added Tax Rules, 2016 and amendments thereon, Financial Reporting Act 2015. In case any requirement of the Banking Companies Act 1991 as amended, and provisions and circulars issued by Bangladesh Bank differ with those of IFRSs, the requirements of the Banking Companies Act 1991 as amended, and provisions and circulars issued by Bangladesh Bank shall prevail. Material departures from the requirements of IFRSs are as follows:

i) Basis of Preparation for Financial Statements

IFRSs: As per IAS 1 Financial Statements shall comprise statement of financial position, comprehensive income statement, changes in equity, cash flows statement, adequate notes comprising summary of accounting policies and other explanatory information. As per para 60 of IAS 1, the entity shall also present current and non-current assets and current and non-current liabilities as separate classifications in its statement of financial position.

Bangladesh Bank: The presentation of the financial statements in prescribed format (i.e. balance sheet, profit and loss account, cash flows statement, changes in equity, liquidity statement) and certain disclosures therein are guided by the "First Schedule" (section 38) of the Bank Companies Act, 1991 (amendment upto 2013) and BRPD Circular no. 14 dated 25 June, 2003 and subsequent guidelines of BB. In the prescribed format there is no option to present assets and liabilities under current and non-current classifications.

Bank's Methodology: The Financial statements of the Bank are made upto 31st December 2024 and are prepared under the historical cost convention and in accordance with the "First Schedule (Sec-38) of the Bank Companies Act, 1991, BRPD Circular # 14 dated 25 June 2003, other Bangladesh Bank Circulars, International Accounting Standards and International Financial Reporting Standards adopted by the Institute of Chartered Accountants of Bangladesh, Companies Act, 1994, the Securities and Exchange Rules 1987, Dhaka & Chittagong Stock Exchange Listing Regulations and other laws and rules applicable in Bangladesh. In case of the requirement of Bangladesh Bank differs with those of IAS/IFRS, the requirement of Bangladesh Bank have been applied".

ii) **Investments in shares and Securities**

IFRS: As per requirements of IFRS 9 investment in shares and securities generally falls either under "at fair value through profit and loss account" or under "available for sale" where any change in the fair value (as measured in accordance with IFRS 13) at the year-end is taken to profit and loss account or revaluation reserve respectively.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June, 2003 investments in quoted shares and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. Provision should be made for any loss arising from diminution in value of investment; otherwise investments are recognised at cost.

iii) **Revaluation gains/losses on Government securities**

IFRS: As per requirement of IFRS 9 where securities will fall under the category of Held for Trading (HFT), any change in the fair value of held for trading assets is recognised through profit and loss account. Securities designated as Held to Maturity (HTM) are measured at amortised cost method and Profit income is recognised through the profit and loss account.

As per requirements of IFRS 9, bills can be categorised either as "Fair Value Through Profit or Loss (FVTPL)" or "Fair Value through Other Comprehensive Income (FVOCI)". Any change in fair value of bills is recognised in the profit and loss account or other reserves as a part of equity, respectively.

Bangladesh Bank: HFT securities are revalued on the basis of mark to market and at year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Profit on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as a part of equity.

iv) **Provision on Investments & off Balance Sheet items:**

IFRS: As per IFRS 9: Financial Instruments, an entity shall recognise an impairment allowance on Investments based on expected credit losses. At each reporting date, an entity shall measure impairment allowance for Investments at an amount equal to the lifetime expected credit losses, if the credit risk on these Investments has increased significantly since initial recognition, whether assessed on an individual or collective basis, considering all reasonable information (including that which is forward-looking). For those Investments for which credit risk has not increased significantly since initial recognition, at each reporting date, an entity shall measure the impairment allowance at an amount equal to 12-month expected credit losses that may result from default events on such Investments that are possible within 12 months after the reporting date.

Bangladesh Bank: As per BRPD Circular no.03, Dated 21 April, 2019, 14 dated 23 September 2012, and BRPD Circular no. 16 dated 18 November 2014, a general provision @ 0.25% to 5% under different categories of unclassified Investmentss (Standard/SMA Investmentss) should be maintained regardless of objective evidence of impairment. And specific provision for sub-standard/doubtful/bad-loss Investmentss should be made at 20%, 50% and 100% respectively on Investmentss net off eligible securities (if any). Also, a general provision @ 1% should be provided for certain off-balance sheet exposures except bills for collections. Such provision policies are not specifically in line with those prescribed by IFRS 9.

v) **Recognition of Profit in suspense**

IFRS: Investments to customers are generally classified as 'Investmentss and receivables' as per IFRS 9 and Profit income is recognised through effective Profit rate method over the term of the Investments. Once a Investments is impaired, Profit income is recognised in profit and loss account on the same basis based on revised carrying amount.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, once a Investments is classified (other than bad loss), Profit on such Investmentss are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an Profit in suspense account, which is presented as liability in the balance sheet.

vi) **Other comprehensive income**

IFRS: As per IAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

vii) **Financial instruments - presentation and disclosure**

In several cases Bangladesh Bank guidelines categories, recognise, measure and present financial instruments differently from those prescribed in IFRS 9. As such full disclosure and presentation requirements of IFRS 7 and IAS 32 cannot be made in the financial statements.

viii) **Financial guarantees**

IFRS: As per IFRS 9, financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognised initially at their fair value, and the initial fair value is amortised over the life of the financial guarantee. The financial guarantee liability is subsequently carried at the higher of this amortised amount and the present value of any expected payment when a payment under the guarantee has become probable. Financial guarantees are included within other liabilities.

Bangladesh Bank: As per BRPD 14 dated 25 June, 2003, & BRPD 15 dated 9 November, 2009 financial guarantees such as letter of credit, letter of guarantee will be treated as off-balance sheet items. No liability is recognised for the guarantee except the cash margin.

ix) **Repo transactions**

IFRS: When an entity sells a financial asset and simultaneously enters into an agreement to repurchase the same (or a similar asset) at a fixed price on a future date (REPO or stock lending), the arrangement is accounted for as a collateralized borrowing and the underlying asset continues to be recognized in the financial statements. This transaction will be treated as borrowing and the difference between selling price and repurchase price will be treated as Profit expense.

Bangladesh Bank: As per BB circulars/guidelines, when a bank sells a financial asset and simultaneously enters into an agreement to repurchase the same (or a similar asset) at a fixed price on a future date (REPO or stock lending), the arrangement is accounted for as a normal sale transaction and the financial assets should be derecognized in the sellers book and recognized in the buyer's book.

x) **Cash and cash equivalent**

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7.

Bangladesh Bank: Some cash and cash equivalent items such as 'money at call and on short notice', treasury bills, Bangladesh Bank bills and prize bond are not shown as cash and cash equivalents. Money at call and on short notice presented on the face of the balance sheet, and treasury bills, prize bonds are shown in investments.

xi) **Non-banking asset**

IFRS: No indication of Non-banking asset is found in any IFRS.

Bangladesh Bank: As per BRPD 14, dated 25 June, 2003 & BRPD 15 dated 9 November, 2009 there must exist a face item named Non-banking asset.

xii) **Cash flow statement**

IFRS: The Cash flow statement can be prepared using either the direct method or the indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank: As per BRPD 14, dated 25 June, 2003 & BRPD 15 dated 9 November, 2009 cash flow is the combination of direct and indirect methods.

Bank's Methodology: Cash Flow Statement is prepared in accordance with IAS-7 "Cash Flow Statement" under direct method and indirect method as recommended in BRPD circular no. 14 dated 25 June, 2003 & BRPD 15 dated 9 November, 2009 issued by Bangladesh Bank.

xiii) **Balance with Bangladesh Bank: (Cash Reserve Requirement)**

IFRS: Balance with Bangladesh Bank should be treated as other asset as it is not available for use in day to day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

xiv) **Off-balance sheet items**

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.

Bangladesh Bank: As per BRPD 14, dated 25 June, 2003 & BRPD 15 dated 9 November, 2009 off balance sheet items (e.g. Letter of credit, Letter of guarantee etc) must be disclosed separately on the face of the balance sheet.

Bank's Methodology:

Off-Balance Sheet items have been disclosed under contingent liabilities and other commitments as per Bangladesh Bank's guidelines. As per BRPD Circular no. 6 dated 25 April, 2023 requires a general provision for Off Balance Sheet exposures which has been followed by the bank properly on the following Off Balance Sheet

- a. Acceptance and endorsements
- b. Irrevocable letter of credit
- c. Letter of guarantee

xv) **Presentation of intangible asset**

IFRS: An intangible asset must be identified and recognised, and the disclosure must be given as per IAS 38.

Bangladesh Bank: There is no regulation for intangible assets in BRPD 14 dated 25 June, 2003 & BRPD 15 dated 9 November, 2009 hence, it is shown in fixed assets.

xvi) **Investments net of provision**

IFRS: Investments should be presented net of provision.

Bangladesh Bank: As per BRPD 14, dated 25 June, 2003 & BRPD 15 dated 9 November, 2009 provision on Investments are presented separately as liability and can not be netted off against Investments.

Bank's Methodology: Investments have been shown at gross amounts without Markup profit at 31 December 2024.

xvii) **Disclosure of appropriation of profit**

IFRS: There is no requirement to show appropriation of profit in the face of statement of comprehensive income.

Bangladesh Bank: As per BRPD 14, dated 25 June 2003 & BRPD 15 dated 9 November, 2009 an appropriation of profit should be disclosed on the face of Profit & Loss Account.

xviii) **Provision on undrawn Investments commitments:**

IFRS: As per IFRS 9 bank shall recognise credit losses on undrawn Investments commitments such as Letter of Credit (L/C), Letter of Guarantee (L/G) etc. as the present value of the difference between the contractual cash flow that are due by the customer if the commitment is drawn down and the cash flows that bank expects to receive.

Bangladesh Bank: As per BRPD Circular no. 07 dated 21 June 2018 and BRPD Circular no.14 dated 23 September 2012, the Bank is required to maintain provision at 1% rate against off-balance sheet exposures (which

xix) **Name of the financial statements:**

IFRS: As per IAS 1, complete set of financial statements consists statement of financial position, statement of profit or loss and other comprehensive income, statement of changes in equity, statement of cash flows and notes, comprising significant accounting policies and other explanatory information.

Bangladesh Bank: The forms of financial statements and directives for preparation thereof of the bank companies in Bangladesh are guided by BRPD Circular no. 14, dated 25 June 2003 & BRPD 15 dated 9 November, 2009 and subsequent amendments thereof from time to time. There is no significant restriction on the ability of subsidiaries to transfer funds to the parent in the form of cash dividends or to repay Investments.

A. Assets and basis of their valuation

i) Cash and cash equivalents

Cash and cash equivalents include notes and coins in hand and at ATM, unrestricted balances held with Bangladesh Bank and its agent bank, balance with other banks and financial institutions, money at call and on short notice and prize bond which are not ordinarily susceptible to change in value.

ii) Investments

All investments (other than government treasury securities) are initially recognized at cost, including acquisition charges associated with the investment. Accounting treatment of government treasury securities (categorized as HFT or HTM) is made following Bangladesh Bank DOS Circular no. 05 dated 26 May, 2008, BRPD 15 dated 9 November, 2009 and subsequent clarifications on 28 January, 2009.

Held to Maturity (HTM)

Investments which are intended to be held till maturity are classified as "Held to Maturity". These are measured at amortized cost at each year end by taking into account any discount or premium on acquisition. Premiums are amortized and discount are accredited, using the effective or historical yield method. Any increase or decrease in value of such investments is booked to equity.

Held for Trading (HFT)

These are investments primarily held for selling or trading. After initial recognition, investments are marked to market weekly and any decrease in the present value is recognized in the Profit and Loss Account and any increase is booked to Revaluation Reserve Account through Profit and Loss Account as per Bangladesh Bank DOS Circular no. 05 dated 28 January, 2009.

REPO and Reverse REPO

Since 1 September 2010 transactions of REPO and Reverse REPO are recorded based on DOS Circular no. 06, dated 15 July, 2010 of Bangladesh Bank. In case of REPO of both coupon and non-coupon bearing (Treasury bill) securities, the Bank adjusts the Revaluation Reserve Account for HFT securities and stops the weekly revaluation (if the revaluation date falls within the REPO period) of the same security. For Profit bearing security, the Bank does not accrue Profit during REPO period.

Investments –Initial recognition and subsequent measurement at a glance

Value of investments has been shown as under:

iv) Fixed Assets Including Premises, Furniture & Fixtures and Right Of Use Assets.

Recognition and measurement

Application of Lease as per IFRS 16 along with its relevant assumptions and disclosures:

IFRS 16: Standard Bank PLC applied IFRS 16 from 1 January 2020 where the bank measured the lease liability at the present value of the remaining lease payments, discounted it using the bank's incremental borrowing rate @ 5% at the date of initial application, and recognized a right-of-use asset at the date of the initial application on a lease by lease basis.

Right-of-use assets:

The Bank recognizes right-of-use assets at the date of initial application of IFRS 16. Right-of-use assets are measured at cost, less any accumulated depreciation, and adjusted for any re-measurement of lease liabilities. Right-of-use assets are depreciated on a straight-line basis over the lease term. The right-of-use assets are presented under property, plant and equipment.

Lease liabilities:

At the commencement date of the lease, the bank recognizes lease liabilities measured at the present value of lease payments to be made over the lease term using incremental borrowing rate at the date of initial application. Lease liability is measured by increasing the carrying amount to reflect Profit on the lease liability, reducing the carrying amount to reflect the lease payments, and re-measuring the carrying amount to reflect any reassessment or lease modifications. Profit on the lease liability in each period during the lease term shall be the amount that produces a constant periodic rate of Profit on the remaining balance of the lease liability.

Exemption from Lease as per IFRS 16:

As per IFRS 16 there are some exemptions from application of lease for:-

Short-term leases

A lease will be classified as 'short-term' if it covers a period of 12 months or less at its commencement date. Importantly, a lease cannot qualify as short-term if it contains a purchase option, or if it includes any optional extension periods, unless it is reasonably certain that the lessee will not exercise an option to extend the lease, resulting in the lease period being longer than 12 months.

Low asset-value leases

Another area of exemption to IFRS 16, which will impact lessees, is that of optional accounting simplifications for lower-value assets. In these cases, the value will be assessed according to the value of the underlying stand-alone asset as if it was new, irrespective of the asset's actual age. The IASB has stated that it considers low-value assets to be those with a value of around US\$ 5 000 or less, when new. Leases of assets such as office furniture, laptops and servers would typically qualify for this exemption.

The Standard Bank has elected not to recognize right-of-use assets and lease liabilities for leases of low value assets and short-term leases, i.e. for which the lease term ends within 12 months of the date of initial application. The Bank recognizes lease payments associated with these leases as an expense. In case of low value of lease assets, the bank has set a materiality threshold of 'BDT 10 million and above' which is 0.058 % of total shareholders' equity capital of the bank as of 31-12-2022. The reason behind considering the materiality threshold of BDT 10 million and above is that the bank operates many ATM booths and branches with short and single contracts.

Items of fixed assets excluding land are measured at cost less accumulated depreciation and accumulated impairment losses, if any. Land is measured at cost/revaluation.

Cost includes expenditure that are directly attributable to the acquisition of asset and bringing to the location and condition necessary for it to be capable of operating in the intended manner.

When parts of an item of fixed asset have different useful lives, they are accounted for as separate items (major components) of fixed assets.

The gain or loss on disposal of an item of fixed asset is determined by comparing the proceeds from disposal with the carrying amount of the item of fixed asset, and is recognized in other income/other expenses in profit or loss.

Subsequent costs

The cost of replacing a component of an item of fixed assets is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of fixed assets are recognized in profit or loss as incurred.

Depreciation

Depreciation is charged at the rates stated below on all fixed assets on the basis of estimated useful lives as determined in the fixed asset policy of the Bank. In all cases depreciation is calculated on the straight line method. Charging depreciation commences from the month of acquisition (for full month) and ceases at the month when the assets are disposed. No depreciation has been charged on land. Rate and method of charging depreciation/ amortization of fixed assets are mentioned below:

Name of the Assets	Rate of Depreciation	Method of charging depreciation/ amortization
Land	Nil	Not applicable
Building	2.50%	Straight Line Method
Furniture & Fixtures	10.00%	Straight Line Method
Office Appliances	20.00%	Straight Line Method
Computer	20.00%	Straight Line Method
Software	20.00%	Straight Line Method
Vehicles	20.00%	Straight Line Method
Right of Use Asset	-	Over Lease period

The contracts for premises with all branches, head office, regional offices, data centers and disaster recovery centers are considered for lease calculation.

v) Intangible Assets

a) An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the asset will follow to the entity and the cost of the assets can be measured reliably.

b) Software represent the value of computer application software licensed for use of the bank, other than software applied to the operation software system of computers. Intangible assets are carried at its cost, less accumulated amortization and any impairment losses.

c) Initial cost comprises license fees paid at the time of purchase and other directly attributable expenditure that are in customizing the software for its intended use.

d) Expenditure incurred on software is capitalized only when it enhances and extends the economic benefits of computer software beyond their original specifications and lives and such cost is recognized as capital improvement and added to the original cost of software.

e) Software is amortized using the straight line method over the estimated useful life of 5(five) years commencing from the date of the application. Software is available for use over the best estimate of its useful economic life.

vi) Impairment of Assets

The carrying amounts of banks assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. 2.17 **Core Risk Management:**

The Banking Regulation & Policy Department (BRPD) of Bangladesh Bank vide BRPD circular no.17 dated October 7, 2003 and BRPD circular no.4 dated March 5, 2007 issued guidelines on managing Core Risk in Banks to ensure sustainable performance in the Banking sector. Bangladesh Bank revised its core risk management guidelines on March-2016. There are six core risks which require banks to put in place an effective risk management system. Bangladesh Bank monitors the progress of implementation of these guidelines through its on-site inspection teams through routine inspection. The risk management systems in place at the Bank are discussed below:

2.17.1 Internal Control & Compliance Risk

Internal Control Mechanism refers to a set of tools aimed at the achievement of organizational overall objectives. It helps an organization to safeguard its assets, check the accuracy and reliability of data. Internal Control & Compliance (ICC) promotes operational efficiency and encourages compliance with managerial policies and procedures, laws and regulations and supervisory requirement. The ICC comprises the following three units:

- i) Internal Audit & Inspection Unit
- ii) Monitoring Unit and
- i) Compliance Unit

An effective Internal control System can assure banks to meet the following objectives:

- 1) To establish an effective and efficient system to identify and detect errors, omission, fraud and forgeries and to take/suggest effective measures to protect repetition thereof.
- 2) To help to establish reliable, complete adequate and timeliness of financial and management information.
- 3) To ensure compliance with applicable laws and regulations.

As per the instruction of Bangladesh Bank the Bank has set Internal Control & Compliance (ICC) Division at Head Office to ensure that the internal control process are in place through establishment of Audit Committee. The Committee reviews the internal & external Audit reports without any intervention of the Bank Management and ensures that Management takes effective measures in case of any deficiencies/lapses are found in the reports of Internal Control System.

4) Fraud and forgery

Fraud and forgery have become important issues in recent years. These have a major impact on our country's economy, impeding economic development. Standard Bank has always been focused in controlling fraud and forgery by establishing and maintaining proper control systems. To prevent fraud and forgery, Standard Bank has formed an Investigation Unit under the Compliance Department of Internal Control & Compliance Division to deal with such kind of incidents. This wing exclusively deals with all kinds of fraud and forgery and acts independently as the first contact point/information unit where internal and external fraud and forgery incidents are escalated, investigated and reviewed.

As a remedial course of action, preventive measures are recommended to the business/functional unit to take necessary action relating to process improvements, recovery of misappropriated amount, adjustment of the operational loss and appropriate action initiated against the perpetrator. Investigation reports are also placed to the Board Audit Committee for their direction and guidance.

The Bank has introduced Risk based Internal Audit (RBIA) to assess the business risk as well as the control risk associated with the branches and determine how much care, monitoring & periodicity of comprehensive internal audit would be required to reposition the branches.

2.17.2 Foreign Exchange Risk

Over the last few decades, the Foreign Exchange terminology & market has emerged as the largest market in the world. The behavior and risk pattern also has come forward tremendously due to its multilateral usance within cross border around the globe. Foreign Exchange risk may be defined as an event of potential financial, physical or reputational loss that can commit the business or environment even uncertain and volatile. Standard Bank PLC has a set of "Foreign Exchange Risk Management Guidelines" in compliance with the Local Regulatory Authorities and Internationally complied authorities which in every aspect mitigate the FX transaction risks covering our Export, Import and Remittance. Our motto is to achieve organizational goal within the harmonized Foreign Exchange risk management frame that comprises the revaluations, reconciliations and other everyday events, activities. Well-built monitoring and recurring follow-up by our management diminishes the risk factors in many cases. Also we have a strong preset 'Contingency Plan' to overcome any undue risk situation.

2.17.3 Asset Liability Risk

Asset Liability Management (ALM) is a key financial and risk management discipline. As one of the core risk areas identified by the Bangladesh Bank, ALM requires senior management responsibility in order to control both inherent and acquired risks in the balance sheet and in day-to-day operations.

For better management of asset and liability risk, the Bank has an established Assets Liability Committee (ALCO) which meets at least once a month. The members of ALCO as at 31 December 2024 were as follows:

Mr. Md. Habibur Rahman	MD & CEO	Chairman
Mr. Md. Siddiqur Rahman	DMD & COO	Member
Mr. Md. Forhad Hossain	EVP	Member
Mr. Sufi Tofail Ahmed	EVP	Member
Mr. Md. Bahar Mahmud	EVP	Member
Mr. Mansoor Ahmed	SVP	Member
Mr. Mohammad Salah Uddin	VP	Member

Mr. Mohammad Zakir Hossain	VP		Member
Mr. Md. Hasibul Hasan	VP		Member
Mr. Shah Rahat Uddin Ahmed	VP	Head of Treasury	Member Secretary

The ALCO's primary function is to formulate policies and guidelines for the strategic management of the bank using pertinent information that has been provided through the ALCO process together with knowledge of the individual businesses managed by members of the committee. ALCO regularly reviews the Bank's overall asset and liability position, forward looking asset and liability pipeline, overall economic position, the Banks' liquidity position, capital adequacy, balance sheet risk, Profit risk and makes necessary changes in its mix as and when required.

The Bank has a specified liquidity and funding ratio to maintain to ensure financial flexibility to cope with unexpected future cash demands. ALCO monitors the liquidity and funding ratio on an ongoing basis and ascertains liquidity requirements under various stress situations. In order to ensure liquidity against all commitments, the Bank reviews the behaviour patterns of liquidity requirements. The Bank has an approved Liquidity Contingency Plan (LCP) which is reviewed and updated on an annual basis by the ALCO. All regulatory requirements including CRR, SLR and RWA are reviewed by ALCO.

2.17.4 Investment Risk

Credit risk is a form of performance risk in a contractual relationship. In any contractual situation, performance risk refers to the possibility that one party in the contract will not honor its obligations to the other. Credit risk is usually defined as the performance risk associated with a financial contract (e.g. a Investments, bond, or derivative contract). Hence, the potential failure of a manufacturer to honor a warranty might be called performance risk, whereas the potential failure of a borrower to make good on its payment requirements—which include both the repayment of the amount borrowed, the principal, and the contractual Profit payments, would be called credit risk. A borrower or an obligor is defined as any party to a contract that has to perform a financial obligation to the other.

Indeed, the Basic concepts for measuring credit risk-probability of default, recovery rate, exposure at default, expected loss, loss given default, and unexpected loss-are easy enough to understand and explain. However, even for those involved in risk management who agree on the concepts, it is not always easy to practically implement a method that is fully consistent with an original concept.

Therefore, the Bank's credit risk management activities have been designed to address all these issues.

A thorough risk assessment is done before sanction of any credit facility at risk management units. The risk assessment includes borrower risk analysis, financial analysis, industry analysis, historical performance of the customer, security of the credit facility etc. The assessment process starts at the branch level and ends at Credit Risk Management division when it is approved /declined by the competent authority. Credit approval authority has been delegated to the individual executives. Proposal beyond their delegation are approved/declined by the Executive Committee and/or the Board of Directors of the Bank.

In determining Single borrower/Large Investments limit, the instructions of Bangladesh Bank BRPD circular no.- 02, dated January 16, 2014 is strictly followed. Internal audit is conducted at yearly intervals to ensure compliance of Banks and Regulatory policies. Investmentss are classified as per Bangladesh Bank's BRPD circular no. - 14, dated September 23, 2012 & amendment BRPD circular no.- 19 & 05 dated December 27, 2012 & May 29, 2013 respectively.

2.17.5 Information & Communication Technology Risk

The Bank has successfully implemented core banking system (CBS). The Bank's IT has gone through an enormous transformation from where it started. After several years of continuous efforts, standardization of both back-ends as well as front-end operation of bank is completed. Now through wide array of customizable products and services, IT can bring about equivalent contribution to profits.

Relevant hardware, software and networking gears are in place to support operations of online branches, internet banking, SMS service, call center, Tele Banking, POS and ATM network. These devices are providing superior performance resulting in better end-user satisfaction. To ensure uninterrupted and smooth customer service in all branches and SME centers, IT division continuously work on performance tuning for database and application, networking and server hardware on regular basis. Continuous investments are going on to do the necessary up gradation on hardware and software to increase the Bank's centralized online banking and other peripheral service requirements.

ICT Risk Mitigation:

Cyberattacks are a serious threat and concern for financial institutions. Standard Bank is committed to high levels of service quality and banking security. Cyber security is a top priority for the Board and management of The Bank. For cyber security and ICT risk mitigation, the bank has aligned its ICT security policy, in line with the latest Bangladesh Bank ICT guidelines and well-established frameworks and international standards and controls. Through Mirroring Military 'war game' to Ethical Hacking, the bank's information security regularly conducts application/system security assessments and vulnerability assessment and penetration testing on own infrastructure/networks by internally-certified ethical hackers to protect data assets. To protect customer and the bank's data The Bank has implemented a comprehensive data leakage prevention solution. Moreover to ensure ethical use of technology, the bank ensures automated content scanning. The bank has also implemented email security to protect the email system from spam-based attacks.

Comprehensive annual maintenance contracts (AMCs), along with service level agreements (SLAs) were signed to ensure 24x7 service for all active equipment of data centre and disaster recovery site.

2.17.6

Money Laundering Risk:

Bank's Anti Money Laundering Division has been functioning to ensure proper compliance of overall Anti Money Laundering activities under the guidance of Bangladesh Financial Intelligence Unit (BFIU). The AML Division is to strongly implement Bank's AML/CFT Policy to cover all latest AML issues for combating money laundering and terrorist financing maintaining international standard.

Bank has adopted Money Laundering Prevention Act-2012 (Amendment-2015), Anti Terrorism Act-2009 ((Amendment-2012 & 2013), BFIU Circular No.19 dated 17/09/2017 and circulated it to all of its branches to cope with latest AML strategies of national and global arena. Bank has its own standard Customer Acceptance Policy, Money Laundering & Terrorist Financing Risk Management Guidelines to provide a framework to the branches to combat money laundering & terrorist financing risk.

Bank has appointed Chief Anti Money Laundering Compliance officer (CAMLCO) & Deputy CAMLCO to supervise overall anti money laundering activities of the bank. Branch Anti Money Laundering Compliance officer (BAMLCO) to comply with Anti Money Laundering issues at branch level.

In order to maintain national and international standard of AML/CFT functions Bank has policies to comply with all recommendations, accord and sanctions of United Nations (UN), Financial Action Task Force (FATF) and Asia Pacific group (APG). Apart from this, Bank is not to establish any relationship with entity listed by United Nation Security Council (UNSC) resolutions and do not maintain relationship with shell banks.

2.17.7

Environment Risk Management (ERM)

Bangladesh Bank issued Guidelines on Environment Risk Management (ERM) to streamline solutions for managing the environmental risks in the financial sector Ref: BRPD Circular No. 01/2011 dated 30.01.2011 and BRPD Circular no. 02 dated 27 February, 2011 respectively. Bank accordingly introduced the Guideline on Environment Risk Management which is approved by the Board of Directors in its 198th Board meeting vide memo no.-9955 held on 16.09.2012 and advised the Management to implement the same in our Bank.

As Environmental Risk is related to credit risk hence it has been decided to integrate the same with Credit Risk Management (CRM). As such the concerned Branches are directed to evaluate & assess environmental risks whenever a potential borrower approaches for financing. It is required to calculate the Environmental Risk Rating (EnvRR) correctly while financing to the following sectors:

1) Agri-business (Poultry & Dairy), 2) Cement, 3) Chemicals, 4) Engineering & Basic Metal, 5) Housing, 6) Pulp & Paper, 7) Sugar & Distilleries, 8) Tannery, 9) Textile & Apparels, and 10) Ship Breaking.

Environmental Risk Rating (EnvRR) of any Credit proposal combines both the outcomes of the General and Sector specific environmental Due Diligence (EDD) checklist & should be applied as per the following table:

General EDD	Sector Specific EDD	Overall EnvRR
Low	Low	Low
Moderate & Low	Low & Moderate	Low
If any one or both the General & Sector-Specific EDD checklist is indicated as 'High'		High

EnvAll branches are advised to calculate & assess the EnvRR of a credit proposal (if applicable) and go through the Environmental Risk Management

2.17.8 Highlights on Bangladesh Bank's Inspections of Core Risk Implementation
