EXECUTIVE SUMMARY

(a) About the industry:

Pharmaceutical is the core of Bangladesh's Healthcare sector and serves as one of the most important manufacturing industry. With a history since 1950s, the industry has now turned one of the most successful pharmaceuticals manufacturing industry among the developing countries. The skills and knowledge of the professionals and innovative ideas of the people involved in this industry are the key factors for these developments. 20 years ago, 75% of the drugs needed to be imported. Now, only 2% of the drugs are imported, the remaining 98% come from local companies. Since the promulgation of Drug Policy in 1982, the sector has grown from BDT 1730 mn to more than BDT 160 bn (\$2.0 bn).

There are more than 437 registered small, medium, large scales, local and multinational companies operating in the country producing around 98% of the total internal demand. The remaining 2% basically constitute import of much-specialized products like vaccines, anti-cancer products and hormone drugs. The industry manufactured about 1,500 types of medicine which includes about 22,000 brands of medicines in different dosage forms. About 1% of the total GDP and the Pharmaceutical Industry of Bangladesh has come a long way in the past four decades and has already established itself in domestic as well as international market. The industry contributes e second largest industry in terms of contribution to government's exchequer.

In the year 2015-2016 Bangladesh pharmaceuticals market size was Tk. 15,600 Crore. Insiders of the industry apprehend that by the year 2024 Bangladesh pharmaceuticals market size will be Tk. 30,300 Crore. Bangladesh Pharmaceutical Industry is now self-sufficient in meeting the local demand. Bangladesh pharmaceuticals industry is enjoying good number of macroeconomic factors as competitive advantages like favorable government policy, comfortable size of local market for 16 Crore populations, cheap labor, available technological know-how, low power costs, low costs white-collar labor etc.

3. The Stockbroker/Merchant Banker shall maintain a separate bank account only for this purpose namely “Public Issue Application Account”. The Stockbroker/Merchant Banker shall:
 - a) post the amount separately in the customer account (other than NRB and Foreign applicants), and upon availability of fund, block the amount equivalent to the application money;
 - b) accumulate all the application/buy instructions received up to the cut-off date, deposit the amount in the “Public Issue Application Account” maintained with its bank within the first banking hour of next working day of the cut-off date;
 - c) instruct the banker to block the account for an amount equivalent to the aggregate application money and to issue a certificate in this regard.
4. Banker of the Stockbroker/Merchant Banker shall block the account as requested for, issue a certificate confirming the same and handover it to the respective Stockbroker/Merchant Banker.
5. For Non-resident Bangladeshi (NRB) and Foreign applicants, the Stockbroker/Merchant Banker shall prepare a list containing the draft information against the respective applicant’s particulars.
6. The Stockbroker/Merchant Banker shall prepare category wise lists of the applicants containing Customer ID, Name, BO Account Number and Number of Securities applied for, and within 03 (three) working days from the cut-off date, send to the respective Exchange, the lists of applicants in electronic (text format with tilde ‘~’ separator) format, the certificate(s) issued by its banker, the drafts and certificates received from Non-resident Bangladeshi (NRB) and Foreign applicants and a copy of the list containing the draft information.
7. On the next working day, the Exchanges shall provide the Issuer with the information received from the Stockbroker/Merchant Bankers, the drafts and certificates submitted by Non-resident Bangladeshi (NRB) and Foreign applicants and the list containing the draft information. Exchanges shall verify and preserve the bankers’ certificates in their custody.

8. The application/buy instructions shall be preserved by the Stockbroker/Merchant Bankers up to 6 months from listing of the securities with exchange.

Step-3 (Issuer)

9. The Issuer shall prepare consolidated list of the applications and send the applicants' BOIDs in electronic (text) format in a CDROM to CDBL for verification. The Issuer shall post the consolidated list of applicants on its website and websites of the Exchanges. CDBL shall verify the BOIDs as to whether the BO accounts of the applicants are active or not.
10. On the next working day, CDBL shall provide the Issuer with an updated database of the applicants containing BO Account Number, Name, Addresses, Parents' Name, Joint Account and Bank Account information along with the verification report.
11. After receiving verification report and information from CDBL, the Issuer shall scrutinize the applications, prepare category wise consolidated lists of valid and invalid applications and submit report of final status of subscription to the Commission and the Exchanges within 10 (ten) working days from the date of receiving information from the Exchanges.
12. The Issuer and the issue manager shall conduct category wise lottery with the valid applications **within 03 (three) working days** from the date of reporting to the Commission and the Exchanges, if do not receive any observation from the Commission or the Exchanges.
13. The Issuer and issue manager shall arrange posting the lottery result on their websites within 06 (six) hours and on the websites of the Commission and Exchanges within 12 (twelve) hours of lottery.
14. Within 02 (two) working days of conducting lottery, the Issuer shall:
 - a) send category wise lists of the successful and unsuccessful applicants in electronic (text format with tilde '~' separator) format to the respective Exchange.
 - b) send category wise lists of unsuccessful applicants who are subject to penal provisions as per conditions of the Consent Letter issued by the Commission in electronic (text format with tilde '~' separator) format to the Commission and Exchanges mentioning the penalty amount against each applicant.
 - c) issue allotment letters in the names of successful applicants in electronic format with digital signatures and send those to respective Exchange in electronic form.
 - d) send consolidated allotment data (BOID and number of securities) in electronic text format in a CDROM to CDBL to credit the allotted shares to the respective BO accounts.

Step-4 (Intermediary)

15. On the next working day, Exchanges shall distribute the information and allotment letters to the Stockbroker/Merchant Bankers concerned in electronic format and instruct them to:
 - a) remit the amount of successful (other than NRB and Foreign) applicants to the Issuer's respective Escrow Account opened for subscription purpose, and unblock the amount of unsuccessful applicants;

- b) send the penalty amount of other than NRB and Foreign applicants who are subject to penal provisions to the Issuer's respective Escrow Accounts along with a list and unblock the balance application money;
16. On the next working day of receiving the documents from the Exchanges, the Stockbrokers/Merchant Banker shall request its banker to:
- a) release the amount blocked for unsuccessful (other than NRB and foreign) applicants;
 - b) remit the aggregate amount of successful applicants and the penalty amount of unsuccessful applicants (other than NRB and foreign) who are subject to penal provisions to the respective 'Escrow' accounts of the Issuer opened for subscription purpose.
17. On the next working day of receiving request from the Stockbrokers/Merchant Bankers, their bankers shall unblock the amount blocked in the account(s) and remit the amount as requested for to the Issuer's 'Escrow' account.
18. Simultaneously, the stockbrokers/Merchant Bankers shall release the application money blocked in the customer accounts; inform the successful applicants about allotment of securities and the unsuccessful applicants about releasing their blocked amounts and send documents to the Exchange evidencing details of the remittances made to the respective 'Escrow' accounts of the Issuer. The unblocked amounts of unsuccessful applicants shall be placed as per their instructions. The Stockbroker/Merchant Banker shall be entitled to recover the withdrawal charges, if any, from the applicant who wants to withdraw the application money, up to an amount of Tk. 5.00 (five) per withdrawal.
19. All drafts submitted by NRB or Foreign applicants shall be deposited in the Issuer's respective 'Escrow' accounts and refund shall be made by the Issuer by refund warrants through concerned stockbroker or merchant banker or transfer to the applicant's bank account (FC account which has been debited to apply by NRB or foreign applicants) through banking channel within 10 (ten) working days from the date of lottery.

Miscellaneous:

20. The Issuer, Issue Manager(s), Stockbrokers and Merchant Bankers shall ensure compliance of the above.
21. The bank drafts (FDD) shall be issued considering TT Clean exchange rate of Sonali Bank Ltd. on the date of publication of abridged version of prospectus.
22. Amount deposited and blocked in the "Public Issue Application Account" shall not be withdrawn or transferred during the blocking period. Amount deposited by the applicants shall not be used by the Stockbrokers/Merchant Bankers for any purpose other than public issue application.
23. The Issuer shall pay the costs related to data transmission, if claimed by the Exchange concerned up to an amount of Tk. 2,00,000.00 (taka two lac) for a public issue.

24. The Stockbroker/Merchant Bankers shall be entitled to a service charge of Tk. 5.00 (Taka five) only per application irrespective of the amount or category. The service charge shall be paid by the applicant at the time of submitting application.
25. The Stockbroker/Merchant Banker shall provide the Issuer with a statement of the remittance and drafts sent.
26. The Issuer shall accumulate the penalty amount recovered and send it to the Commission through a bank draft/payment order issued in favor of the Bangladesh Securities and Exchange Commission.
27. The concerned Exchange are authorized to settle any complaints and take necessary actions against any Stockbroker/Merchant Banker in case of violation of any provision of the public issue application process with intimation to the Commission.

PART-C

1. The issue manager shall carefully examine and compare the published prospectus and its abridged version on the date of publication with the copies vetted by the Commission. If any discrepancy is found, both the issuer and the issue manager shall jointly publish a corrigendum immediately in the same newspapers concerned, simultaneously endorsing copies thereof to the Commission and the stock exchanges concerned. In this regard, the issue manager shall submit a compliance report to the Commission within 5 working days from the date of such publications.
2. The fund collected through Public Offering shall not be utilized prior to listing with Exchange(s) and that utilization of the said fund shall be effected through banking channel, i.e. through account payee cheque, pay order or bank drafts etc.
3. The company shall furnish status report on utilization of Public Offering proceeds audited by foreign affiliated auditors and authenticated by the board of directors to the Commission and the Exchanges within 15 (Fifteen) days of the closing of each month until such fund is fully utilized, as mentioned in the schedule contained in the prospectus. The issuer shall simultaneously post the status report in its website and Exchanges shall also post the same in company information contained in websites of the Exchanges. In the event of any irregularity or inconsistency, the Commission may employ or engage any person to examine whether the issuer has utilized the proceeds for the purpose disclosed in the prospectus.
4. While auditing the utilization of IPO proceeds, the auditors will perform their jobs under the following terms of reference (TOR) and confirm the same in their report/certificate:
 - (a) Whether IPO proceeds have been utilized for the purposes/heads as specified in the prospectus;
 - (b) Whether IPO proceeds have been utilized in line with the condition (if any) of the Commission's consent letter;
 - (c) Whether utilization of IPO proceeds have been completed within the time schedule/implementation schedule as specified in the published prospectus;

- (d) Whether utilization of IPO proceeds is accurate and for the purpose of the company as mentioned/specified in the published prospectus; and
- (e) The auditors should also confirm that: (i) assets have been procured/imported/constructed maintaining proper/required procedure as well as at reasonable price; and (ii) auditors' report has been made on verification of all necessary documents/papers/vouchers in support of IPO proceeds making reconciliation with Bank Statement.
5. All transactions, excluding petty cash expenses, shall be effected by crossed cheques or bank transfers.
6. Proceeds of the public offering shall not be transferred to any other bank account before listing with the Exchange(s). The proceeds shall not be used for any purpose other than those specified in the prospectus without any valid ground. Any material deviation in this respect must have prior approval of at least 51% of the public shareholders, other than sponsors and directors, in a general meeting through a board approved agenda and due notification to the shareholders. Before the said general meeting, such deviation as recommended by the board of directors shall be published as price-sensitive information with detailed description and reasons for such deviation. If approved by the shareholders, the meeting resolution shall be submitted to the Commission along with reasonable explanations and the decision shall be published as price-sensitive information.
7. If any quarter or half-year of the financial year ends after publication of the abridged version of prospectus and before listing of its securities with any exchange, the company shall disseminate/transmit/submit the said quarterly/half yearly financial statements in accordance with the Commission's Notification SEC/CMRRCD/2008-183/admin/03-34 dated September 27, 2009 and Rules 13 of the Securities and Exchange Rules, 1987.
8. In the event of arising issues concerning Price Sensitive Information as defined under the সিকিউরিটিজ ও এক্সচেঞ্জ কমিশন (সুবিধাভোগী ব্যবসা নিষিদ্ধকরণ) বিধিমালা ১৯৯৫ after publication of the abridged version of prospectus and before listing of its securities with any exchange, the company shall disseminate/transmit/submit the information as price sensitive in accordance with the Commission's Notification No. SEC/SRMI/200-953/1950 dated October 24, 2000.

PART-D

1. As per provision of the Depository Act, 1999 & Regulations made thereunder, shares will only be issued in dematerialized condition. All transfer/transmission/splitting will take place in the depository system of Central Depository Bangladesh Ltd. (CDBL) and any further issuance of shares (including rights/bonus) will be made in dematerialized form only.
2. The issuer and the issue manager shall ensure due compliance of all the above conditions, the 'Bangladesh Securities and Exchange Commission (Public Issue) Rules, 2015' and the listing regulations of the Exchanges.
3. The Commission may impose further conditions/restrictions etc. from time to time as and when considered necessary which shall also be binding upon the issuer company.

CHAPTER (VI)

DESCRIPTION OF THE ISSUER

(a) Summary:

- (i) **The summary of the industry and business environment of the issuer. The summary shall not be one-sided or biased to highlight the issuer or the issue;**

Summary of the industry:

Pharmaceutical is the core of Bangladesh's Healthcare sector and serves as one of the most important manufacturing industry. With a history since 1950s, the industry has now turned one of the most successful pharmaceuticals manufacturing industry among the developing countries. The skills and knowledge of the professionals and innovative ideas of the people involved in this industry are the key factors for these developments. 20 years ago, 75% of the drugs needed to be imported. Now, only 2% of the drugs are imported, the remaining 98% come from local companies. Since the promulgation of Drug Policy in 1982, the sector has grown from BDT 1730 mn to more than BDT 160 bn (\$2.0 bn).

There are more than 437 registered small, medium, large scales, local and multinational companies operating in the country producing around 98% of the total internal demand. The remaining 2% basically constitute import of much-specialized products like vaccines, anti-cancer products and hormone drugs. The industry manufactured about 1,500 types of medicine which includes about 22,000 brands of medicines in different dosage forms. About 1% of the total GDP and the Pharmaceutical Industry of Bangladesh has come a long way in the past four decades and has already established itself in domestic as well as international market. The industry contributes e second largest industry in terms of contribution to government's exchequer.

In the year 2015-2016 Bangladesh pharmaceuticals market size was Tk. 15,600 Crore. Insiders of the industry apprehend that by the year 2024 Bangladesh pharmaceuticals market size will be Tk. 30,300 Crore. Bangladesh Pharmaceutical Industry is now self-sufficient in meeting the local demand. Bangladesh pharmaceuticals industry is enjoying good number of macroeconomic factors as competitive advantages like favorable government policy, comfortable size of local market for 16 Crore populations, cheap labor, available technological know-how, low power costs, low costs white-collar labor etc.

Source: IMS report 06 July, 2017

Business environment:

The Issuer's business environment is conducive to the business as we have good supply of raw materials. We have skilled labors as well. The wage of labor is reasonable also. Government policy is favorable to the sector. Overall, it is a business-friendly situation.

Pharmaceutical is the core of Bangladesh's Healthcare sector and serves as one of the most important manufacturing industry. With a history since 1950s, the industry has now turned one of the most successful pharmaceuticals manufacturing industry among the developing countries. The skills and knowledge of the professionals and innovative ideas of the people involved in this industry are the key factors for these developments. 20 years ago, 75% of the drugs needed to be imported. Now, only 2% of the drugs are imported, the remaining 98% come from local companies. Since the promulgation of Drug Policy in 1982, the sector has grown from BDT 1730 mn to more than BDT 160 bn (\$2.0 bn).

There are more than 437 registered small, medium, large scales, local and multinational companies operating in the country producing around 98% of the total internal demand. The remaining 2% basically constitute import of much-specialized products like vaccines, anti-cancer products and hormone drugs. The industry manufactured about 1,500 types of medicine which includes about 22,000 brands of medicines in different dosage forms. About 1% of the total GDP and the Pharmaceutical Industry of Bangladesh has come a long way in the past four decades and has already established itself in domestic as well as international market. The industry contributes e second largest industry in terms of contribution to government's exchequer.

In the year 2015-2016 Bangladesh pharmaceuticals market size was Tk. 15,600 Crore. Insiders of the industry apprehend that by the year 2024 Bangladesh pharmaceuticals market size will be Tk. 30,300 Crore. Bangladesh Pharmaceutical Industry is now self-sufficient in meeting the local demand. Bangladesh pharmaceuticals industry is enjoying good number of macroeconomic factors as competitive advantages like favorable government policy, comfortable size of local market for 16 Crore populations, cheap labor, available technological know-how, low power costs, low costs white-collar labor etc.

- 4) **Generator:** SPL has procured Diesel Generator having capacity of 600 KVA and 380 KVA in rented factory building.
- 5) **ETP:** SPL has an ETP plant to purify the waste water produced from the manufacturing process in rented factory building. The company follows the rules and guidelines of the environment directorate's policies and directives. ETP was running during our visit.
- 6) **Total number of workrs and employees:** During our visit we found 30 number of officers & staffs and 185 number of workers in rented factory building. However, 2 number of officers & staffs and 4 number of workers were on leave as register.

Signboard:

The signboard of the Company is well displayed at the registered & corporate office and both in rented and owned factory buildings and there is no other office or factory within the said factory premises.

Besides these assets, we have also found other assets like Vehicle, Electric Equipment, some scrap machineries and Others in rented factory building.

It is also mentionable here that during our visit, we have also checked Inventory register and roster (Workers' duty register) as well as talked with the workers and employees who were working in the rented factory building and found satisfactory. We have also noticed that all machineries of the company in rented factory building were in good condition and running well. However, machinery in owned factory building was not in operation.

SPL has earned a reputation as a successful medicine manufacturer over the last few years.

Strategies:

A business strategy sets out to achieve the desired goals. Business strategy is defined as long-term business planning which is concerned with the scope of a business' activities.

Two main categories of can be defined as

- a) Generic Strategy
- b) Competitive Strategy

1. **Generic Strategy:** It is concerned with growth. Now company is in planning to invest in fixed assets in order to expand its existing business.
2. **Competitive Strategy:** It is concerned with doing things better than rivals. The following competitive strategies are in place.
 - Lower price: In order to be market Leader Company is trying to be competitive price to deal with its rivals.
 - Product Differentiating: By differentiating in the product line, company will be able to make higher price for its product. Hence, product differentiation is on the mind.
 - Economic Scale: With a view to spreading the fixed cost over more units company is trying to increase economic of scale.

(b) SWOT ANALYSIS:

Strengths

1. **Strong Management:** The Company has good management to run the company efficiently.
2. **Product line variety:** The Company's product line has variety. The company sells different line of product
3. **Modern Machineries:** The Company has been using modern machineries that smooth our operation.
4. **Technology:** The Company has latest tools and technologies to support production.
5. **Dedicated Workforce:** Company has dedicated human resources.

Weaknesses

1. **Low Financial Position:** Company needs more finance to be competitive over its rivals.
2. **Innovation:** Innovative effectiveness is low due to the lack of the sophisticated equipment, lack of the capital, lack of the skilled manpower, and the lack of the professionals in our country.

Opportunity

1. **High Demand:** The product demand is high and vibrant.
2. **Industry Performance:** Pharmaceutical industry depends on organic chemical. Chemical industry is very competitive and fragmented. So supplier switching is easier.
3. **Cheap Labor:** Labor wages is favorable comparing to that of other countries.
4. **Reasonable Product Price:** Consumers don't bother about the pricing as the medicine is life saving product.

Threat

1. **Intense Competition:** There is high rivalry among the competitors to get the market share as maximum as possible.
2. **Shortage of Power:** lack of opportunity to supply emergency power.

** As per section 2 (35)(a) of the Income Tax Ordinance, 1984, SPL prepared its financial statements for the year ended 30 June, 2016.*

Reason of Fluctuation:

Revenue:

The Company has installed new machineries in order to increase production capacity. As a result, production increased as well as turnover increased. Through installation of new different types of machineries, the company has been able to produce different products as well as to create the market of new products. So, increase of turnover of the company is relevant.

Other Income:

Other income has been generated from interest of FDR and sale of wastages.

Total Income:

Since Revenue is increased, so naturally total income has been increased.

Cost of Materials:

The costs of materials to revenue are consistent over the years.

Finance Cost and Bank Charge:

The Company has taken long term loan from bank for importing new machineries and construction of building. We also availed various short term loan facilities from bank. So, the finance cost and bank charge increased and the trend is relevant to the production and also consistent with the revenue.

Depreciation and Amortization:

The Company has increased our capacity installing new machineries, build up factory building and other assets. So, depreciation has been charged / increased accordingly.

The Company did not amortize any of its capital expenditure during the last five years.

Other Expenses:

The Company did not incur any other expenses other than regular expenses during the last five years

Changes of inventory:

There has been increasing of installed capacity and sales volume over the year. The demand for our products is also increasing. So, we have to maintain sufficient amount of inventory in order to meet the sales order. Thus, inventory is increasing year to year.

Net profit before and after Tax and Earnings per Share

The growth of net profit before and after tax is consistent with the growth of the revenue. No unusual changes have been occurred during the last five years on the above matters.

Earnings per Share are properly calculated through using weighted average number of ordinary shares for each year.

(d) **Known trends, demands, commitments, events or uncertainties that are likely to have an effect on the company's business:**

At present, there are no known trends, events and/or uncertainties that shall have a material impact on the company's future business except for those which are naturally beyond control of human being.

The business operation of the Company may be affected by the following events:

- i. Political unrest
- ii. Natural disaster

(e) **Trends or expected fluctuations in liquidity:**

There are no trends or expected fluctuations in liquidity.

(f) **Off-balance sheet arrangements those have or likely to have a current or future effect on financial condition:**

There are no off-balance sheet arrangements those have or likely to have a current or future effect on financial condition.

- a) **Credit Risk:** This is the risk of default on a debt that may arise because of default by the borrower to pay the loan. In operating any business there is always credit risk lies in the business. As there is always lending and borrowing between parties in the form of money and goods.

Management Perception: Credit Risk mainly lies with Financial Institutions. Since Silva Pharmaceuticals Limited (SPL) is involved in manufacturing and marketing of pharmaceuticals finished products, there is no such credit risk. Regarding credit sales, company try to ensure credit policy so that operating cycle can be efficient comparing to other competitors.

- b) **Liquidity Risk:** The risk that a company may be unable to meet short term financial demands. This usually occurs due to the inability to convert its current assets to cash without a loss of capital or income. Liquidity is a common phenomenon of the business.

Management Perception: Finance is an arts and science of managing fund so that it can manage working capital in efficient way. Silva Pharmaceuticals Limited (SPL) is also doing its level best to manage working capital management in efficient way to maintain liquidity risk. Management is dealing with accounts payable, inventory and accounts receivable efficiently.

- c) **Risk associated with the issuer's interest in subsidiaries, joint ventures and associates:** If the subsidiaries make loss, it affects parent company's balance sheet. In case of associate, there is chance of decline value of investment in associate company. As for joint venture, A joint venture (JV) is a business arrangement in which two or more parties agree to pool their resources for the purpose of accomplishing a specific task. This task can be a new project or any other business activity. In a joint venture (JV), each of the participants is responsible for profits, losses and costs associated with it.

Management Perception: Silva Pharmaceuticals Limited (SPL) has no subsidiary, associate and joint venture.

- d) **Significant revenue generated from limited number of customers, losing any one or more of which would have a material adverse effect on the issuer:** There is risk involved in having limited number of customer and losing of that particular customer has negative impact on company's sales and cash flow as well.

Management Perception: The Management is always keen to find out new buyers which boost up the sales. The company generates revenues from selling pharmaceuticals finished products across the country. Hence, the company is not dependent on any particular or limited number of customers to operate our business.

- e) **Dependency on a single or few suppliers of raw materials, failure of which may affect production adversely:** There is also risk involved in having limited number of suppliers as well. Single or few suppliers may exploit the company by price hike, untimely delivery and low quality of product.

Management Perception: In business, having many suppliers of raw materials helps to get competitive advantage of cheaper price of raw materials. Because, having many suppliers help to bargain with suppliers over price. In addition, having many supplier helps to maintain doing business efficiently. As we hold the views, we are not dependent on a single or few suppliers. We have many suppliers from different countries that we have also mentioned in the prospectus.

- f) **More than 20% revenue of the issuer comes from sister concern or associate or subsidiary:** Having 20% revenue generation from sister concern or associate or subsidiary makes issuer dependent on others companies. Hence, there is dependency risk.

Management Perception: We do not have any sister concerns and associate or subsidiary.

- g) **Negative earnings, negative cash flows from operating activities, declining turnover or profitability, during last five years, if any:** Negative earning and negative operating cash flow is risk the going concern risk for the entity.

Management Perception: We have been operating our business efficiently. We do not have any negative earning and negative cash flow from operation.

- h) **Loss making associate or subsidiary or group companies of the issuer:** When associate or subsidiary or group companies of the issuer are loss making, it affect the issuer and there is negative impact on cash flow of issuer and Balance Sheet as well.

Management Perception: We do not have any associate.

- i) **Financial weakness and poor performance of the issuer or any of its subsidiary or associates:** Financial weakness and poor performance of the issuer have negative impact on the company. As a result it will be tough to pay loan interest, debt service and dividend. Future growth will be hampered.

Management Perception: Sales is one of the key indicators of success of a business if there is good margin of profit. Silva Pharmaceuticals Limited (SPL) has been generating sales growth efficiently.

- j) **Decline in value of any investment:** If investment value decline, it will reduce the profit and assets as well.

Management Perception: We have investment in the form of FDR at fixed interest rate. Hence, value of investment will be increased after maturity period of FDR.

- k) **Risk associated with useful economic life of plant and machinery, if purchased in second hand or reconditioned:** There is obsolescence risk relating to plant and machinery. If the machinery is purchased in second hand or reconditioned, there high risk of repair and maintenance which has impact on profitability of the company.

Management Perception: We have been using new branded machineries.

- l) **Adverse effect on future cash flow if interest free loan given to related party or such loans taken from directors may recall:** It is loan given and taken from related party and directors as well. If company gives such loan without interest to related party, there is interest burden for the company if the money was taken as loan. On the other hand, if such loan is taken from directors, it will have an impact on the cash flow to pay off the loan to the Directors.

Management Perception: There is no as such loan given to related party or loan taken from directors.

- m) **Potential conflict of interest, if the sponsors or directors of the issuer are involved with one or more ventures which are in the same line of activity or business as that of the issuer and if any supplier of raw materials or major customer is related to the same sponsors or directors:** In these cases, there is high chance of compromise among the related companies because of conflict of Interest.

Management Perception: There is no potential conflict of Interest as we do not have any venture which is in the same line of activity.

- n) **Related party transactions entered into by the company those may adversely affect competitive edge:** Related party transaction of the issuer creates conflict of interest which reduces the competitive advantage of the issuer.

Management Perception: There is no as such transaction which may adversely affect competitive edge.

- o) **Any restrictive covenants in any shareholders' agreement, sponsors' agreement or any agreement for debt or preference shares or any restrictive covenants of banks in respect of the loan or credit limit and other banking facilities:** All information must be known to the potential investor so that investor's interest may not be hampered in future. So, any restrictive covenants, if it goes against potential investors, will make investors in jeopardy.

Management Perception: There are no restrictive covenants in any shareholders' agreement, sponsors' agreement or any agreement relating to debt or preference shares or any restrictive covenants of Banks in respect of loan or credit limit and other banking facilities.

- p) **Business operations may be adversely affected by strikes, work stoppages or increase in wage demands by employees:** In such case, company's business operation will be hampered.

Management Perception: We are used to with the political unrest for long time and our business industries are used to dealing with this phenomenon. We provide competitive wages among the competitors of us. In addition, there is government regulation of paying minimum wage. We comply with the rules.

- q) **Seasonality of the business of the issuer:** It is the risk involving that company is not doing business round the year.

Management Perception: We manufacture and sell pharmaceuticals ltd. We sell our products round the years.

- r) **Expiry of any revenue generating contract that may adversely affect the business:** This is the risk of losing customers affecting future sales.

Management Perception: We do not have any revenue generating contract that may adversely affect the business.

- s) **Excessive dependence on debt financing which may adversely affect the cash flow:** Excessive dependence on debt causes huge interest burden of the company and high risk of insolvency that may result in bankruptcy.

Management Perception: The Company is not dependent on any excessive debt finance and debt equity ratio is less than 1.

- t) **Excessive dependence on any key management personnel absence of whom may have adverse effect on the issuer's business performance:** Excessive dependence on key management affects the business if the management is changed in future, which will create vacuum. Besides, if the key management personnel is of bad intention, excessive dependence will also affect the business.

Management Perception: Corporate Governance is well practiced in our company. We have also well-placed organogram in our company. Hence, any change in the key management can be replaced with other persons.

- u) **Enforcement of contingent liabilities which may adversely affect financial condition:** It is the future burden of liabilities that the investors will take on their shoulders. Contingent liabilities reduced the assets or create obligation to pay the liabilities.

Management Perception: We do not have any contingent liabilities which may adversely affect financial condition.

- v) **Insurance coverage not adequately protect against certain risks of damages:** Insurance ensures and protects to deal with uncertainty of future material loss/damage. So, insurance coverage is important for the business.

Management Perception: We have fire insurance is in place.

- w) **Absence of assurance that directors will continue its engagement with Company after expiry of lock in period:** Directors run the company with the accumulated finance from public and other financing source. If directors discontinue running the business, there will be negative impact on business and share price as well.

Management Perception: Our directors are involved in the business for long time and they will continue the business after expiry of lock in period.

- x) **Ability to pay any dividends in future will depend upon future earnings, financial condition, cash flows, working capital requirements and capital expenditure:** Dividend payment is highly dependent on company's ability to generate profit. If company can not earn good amount of profit from operation, it is unlikely to pay dividend.

Management Perception: We have been earning profit and a profitable entity. We believe that we will be able to pay dividend from our earning profit.

- y) **History of non-operation, if any and short operational history of the issuer and lack of adequate background and experience of the sponsors:** If there is any non-operation of the company, it creates negative impression. Apart from this, short operation history indicates company is gathering knowledge and expertise to be competitive in the market.

Management Perception: Such case did not happen in the history of our company.

- z) **Risks related to engagement in new type of business, if any:** If it is new business, there is risk of viability of the new business.

Management Perception: There is no as such risk as we are not engaged in any new type of business.

- aa) **Risk in investing the securities being offered with comparison to other available investment options:** If the issue price goes down after floating, there is investment risk for the potential investors.

Management Perception: We are profitable entity and our business growth will continue in longer period. It is not risky in investing securities in comparison with other available investment option.

- bb) **Any penalty or action taken by any regulatory authorities for non-compliance with provisions of any law:** *It creates a negative impression on the issuer.*

Management Perception: There are no as such issues arisen in the history of our company.

- cc) **Litigations against the issuer for Tax and VAT related matters and other government claims, along with the disclosures of amount, period for which such demands or claims are outstanding, financial implications and the status of the case:** *It creates a negative impression on the issuer.*

Management Perception: We do not have any litigation relating to Tax, VAT or other government claims against of our company.

- dd) **Registered office or factory building or place of operation is not owned by the issuer:**
Our factory is situated at Joykrishnapur, Main Road, Maijdee Court, Noakhali, and registered office and corporate office is situated at Dhanmondi. At present our factory and registered offices are on rented building.

Management Perception: Our registered and corporate office are rented and situated at Dhanmondi. Our factory is situated at Joykrishnapur, Main Road, Maijdee Court,

Noakhali. At present our factory is on rented building. Our new owned factory building is ready and we will shift soon. We have also plan for our owned registered and corporate office.

- ee) **Lack of renewal of existing regulatory permissions or licenses:** In this case company is not following the law to renew its all licenses.

Management Perception: There is no such issue relating to lack of existing regulatory permissions/ licenses.

- ff) **Failure in holding AGM or declaring dividend or payment of interest by any listed securities of the issuer or any of its subsidiaries or associates:** Failure in holding AGM or declaring dividend indicates the lack of compliance to the regulatory rules. Failure of payment of interest indicate the poor cash generation to the company to pay interest and debt service. The overall impression will be negative for the company.

Management Perception: There is no incident of failure in holding AGM or declaring dividend or payment of interest by the issuers.

- gg) **Issuances of securities at lower than the IPO offer price within one year:**

Management Perception: Silva Pharmaceuticals Limited (SPL) has not issued any of its securities at lower than the IPO offer price within one year.

- hh) **Refusal of application for public issue of any securities of the issuer or any of its subsidiaries or associates at any time by the Commission:** If any refusal happened in the above cases, it will create negative impression to the issuer.

Management Perception: Such cases did not happen for our company and associates.

(ii) External risk factors may include among others:

- a) **Interest Rate Risks:** When interest rate fluctuates, it causes interest risk. Companies who have debt financing are exposed to this risk highly.

Management Perception: In our country, right now, interest is in downtrend which is beneficial for debt-financing because cost of capital has been less expensive than that of earlier.

- b) **Exchange Rate Risks:** Foreign exchange risk, also known as FX risk or currency risk is a financial risk that exists when a financial transaction is denominated in a currency other than that of the base currency of the company. This risk arises when investment's value changed due to the changes in currency exchange rates.

Management Perception: Silva Pharmaceuticals Limited is procuring raw materials from overseas market and its customers are local customers. Because of importing raw materials, the company is exposed to Exchange Rate Risk. Management is concerned about this. Management believes that any dollar appreciation will be adjusted in product price.

- c) **Industry Risks:** Industry risk is related with the factors affecting the company such as Raw Material, labor, demand of the product, government policy to the sector, competitor's rivalry.

Management Perception: Silva Pharmaceuticals Limited is aware of the above fact. Industry risk is inherent in any kind of business. At the moment industry is favoring for operating business.

- d) **Economic and Political risks:** This risk can be described as the likelihood that an investment will be affected by macroeconomic conditions such as government regulation, exchange rates, or political stability. In other words, while financing a project, the risk that the output of the project will not produce adequate revenues for covering operating costs and repaying the debt obligations. In a nutshell, economic risk refers to the risk that a venture will be economically unsustainable due to various reasons.

Management Perception: Bangladesh economy is enjoying 7% economic growth and expected economic growth by the government is 7.5%. As a result huge development work is underway by the govt. Hence, huge expensive infrastructure has been under construction that will create employment and per capita income is going up as well. As economy is expanding, so is our business viability and profitability.

Political risks: Bangladesh experienced with political unrest for over the years. Political instability hampers the smooth operation of business.

Management Perception: Nowadays calm and serene atmosphere is prevailing in our country. There is no political chaos as was at the beginning of 2014. Government is industry friendly and trying to its level best to boost up economic activities in the country.

- e) **Market and Technology-related Risks;**

Market risks: *Silva Pharmaceuticals Limited* is operating in a free market economy regime. The company might have to face stiff competition from its competitors.

Management perception: Market risk is dealt with efficiently by the experienced management.

Technology-related risks: Technology always plays a vital role for each and every type of business. Innovation of new and cost-effective technology can increase productivity and reduce costs of production. On the other hand, obsolete technology may have a negative impact on the business.

Management perception: Because of nature of the business Silva Pharmaceuticals Limited applies the latest technology to deal with its operation. If it is does not uses latest technology, it will not be able to cope with the competitors.

- f) **Potential or existing government regulations:** Potential or existing Govt. regulations may hamper the smooth operation of the industry.

Management perception: We are enjoying good atmosphere in operating our business. Government regulations are favorable for the company.

- g) **Potential or existing changes in global or national policies:** Policies from govt has a positive or negative impact on any company along with existing changes in globally.

Management perception: Nowadays global and national policies do not change without prior notice. For potential changes in policies, local and global leaders consider different issues including industries opinion. We are optimistic that if any policies change unpredictably, we can improvise with new policies without hampering our smooth operation.

- h) **Statutory clearances and approvals those are yet to be received by the issuer:** Statutory clearance and approval is imperative for any business to start off. There are many statutory clearances and approvals need by the regulatory authority in order to be monitored, controlled and guided.

Management Perception: Silva Pharmaceuticals Limited has been running its business over the years. We have collected all the statutory clearance to operate our business. Hence, there are no as such risks for our Company.

- i) **Competitive condition of the business:** Silva Pharmaceuticals Limited is operating in a free market economy. The company has to face stiff competition from its competitors.

Management Perception: Silva Pharmaceuticals Limited has been in the market over the years. We are doing our level best to be competitive with our competitors. Hence, there is always check and balance existed among the rivalry companies.

- j) **Complementary and supplementary products or services which may have an impact on business of the issuer:** Complementary products or services that are used in conjunction with another products or services. Usually, the complementary products have no value when consumed alone, but when combined with another product or service, it adds to the overall value of the offering. A product can be considered a complement when it shares a beneficial relationship with another product offering. Supplementary products are two products that are used together. For example, if we have a car, we also need petrol to run the car. Supplementary products have a negative cross elasticity of demand. For instance, when price of petrol goes up, demand for petrol and cars goes down.

Management Perception: The Company has not faced any challenges relating to supplementary and complementary products and Management are concerned with the issue. In future, if necessary, management may diversify the product to be competitive over the competitors.

(iii) Other risks:

- a) Risk Related to the Company having poor market share compare to its competitors;

Management Perception: Our market share is rising because of our substantial effort. We believe that we will be able to cope with our competitors.

- b) Risk Related to expansion of business through IPO proceeds;

Management Perception: IPO proceeds will enable us to enhance the expansion of the business. In pharmaceuticals business, there is more investment needs to compete with competitors.

Methodology

We have considered the historical data of last couple of year's revenue and expenses of the company. We have also talked with the staffs. The interviews provided us with the relevant information concerning all aspects sales and expenses. The responses to these open-ended questions have allowed us to have a greater depth of knowledge into their opinions and so we were able to address them to the best of our ability. A lot of time was spent working on the interviews; also that each had a different idea that is important to the effects of the implementation of sales growth and enough background information was included.

Once we have compiled and analyzed all data and research we as a group, look at all the different options of implementing the living wall and then decide on the best option of the sales, current and future market and saleable capacity in near future.

Total		300,000,000.00

Means of Finance

The project will be financed through using IPO proceeds.

Weaknesses

1. **Low Financial Position:** Company needs more finance to be competitive over its rivals.
2. **Innovation:** Innovative effectiveness is low due to the lack of the sophisticated equipment, lack of the capital, lack of the skilled manpower, and the lack of the professionals in our country.

Threat

1. **Intense Competition:** There is high rivalry among the competitors to get the market share as maximum as possible.
2. **Shortage of Power:** lack of opportunity to supply emergency power.

Conclusion

The feasibility of the project has been conducted and analyzed from the viewpoint of marketing, financial, management & economic aspects and found to be worthwhile. The projected financial results and the profitability estimated based on historical data shows that the project is viable and lucrative. This projection will help the interested parties to have an idea over the Silva Pharmaceuticals Limited (SPL).

FINANCIAL STATEMENTS

- (a) **The latest financial statements prepared and audited by the Commission’s panel auditors in adherence to the provisions of the Securities and Exchange Rules, 1987, the কোম্পানি আইন, ১৯৯৪, International financial Reporting and Auditing Standards as adopted in Bangladesh from time to time and any other law as applicable;**

AUDITORS’ REPORT

TO THE SHAREHOLDERS OF SILVA PHARMACEUTICALS LIMITED

We have audited the accompanying financial statements of **Silva Pharmaceuticals Limited** which comprises the Statement of Financial Position as at June 30, 2017 along with Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Bangladesh Financial Reporting Standards (BFRS), Companies Act 1994, The Securities & Exchange Rules 1987 and other applicable rules and regulations. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing, those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of **Silva Pharmaceuticals Limited** as at June 30, 2017 and of its financial performance for the year then ended in accordance with Bangladesh Financial Reporting Standards and comply with the Companies Act 1994, The Securities & Exchange Rules 1987 and other applicable laws and regulations.

We also report on other legal and regulatory requirements

We also report that;

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion proper books of account as required by law have been kept by the company so far as it appeared from our examination of those books;
- c) the company's Statement of Financial Position, Statement of Profit or Loss and Other Comprehensive Income and Statement of Cash Flows dealt with by the report are in agreement with the books of accounts.
- d) the expenditures incurred were for the purpose of the Company's business.

**Auditors' additional disclosure relating to the financial statements
of
Silva Pharmaceuticals Limited**

1. It is observed that the company did not distribute and utilize Worker's Profit participation and Welfare Fund as per the Bangladesh Labor (Amendments) Act, 2013. Explain your position regarding the same;

Response to the above:

The Company has made a trust deed on 16th November 2017, which was registered accordingly; the company has also opened a bank account in the name of the trust and transferred WPPF money to that bank account. Then, the company has sent 10% of the fund to the Workers Welfare Foundation Fund as per section 234(a) of the Bangladesh Labor (Amendments) Act, 2013.

2. It appears that the company has not recognized WPPF as expense in the year ended on 2012, 2013, 2014 & 2015 for which Net profit after Tax and Earning per Share (EPS) seem overstated. Explain.

Response to the above:

The management of the company did not comply the provision to charge WPPF in the year ended on 2012, 2013, 2014 & 2015. However, the management had recognized Workers' Profit Participation and Welfare Fund (WPPF) from 01 June, 2015. As the company did not charge WPPF in the previous years profit has been shown higher. Thus, net profit after tax and Earnings per share have been shown greater in the presented financial statements.

PUBLIC ISSUE APPLICATION PROCEDURE

Step-1 (Applicant)

1. An applicant for public issue of securities shall submit application/buy instruction to the Stockbroker/ Merchant Banker where the applicant maintains customer account, within the cut-off date (i.e. The subscription closing date), which shall be the 25th (twenty fifth) working day from the date of publication of abridged version of prospectus.
2. The application/buy instruction may be submitted in prescribed paper or electronic form, which shall contain the Customer ID, Name, BO Account Number, Number of Securities applied for, Total Amount and Category of the Applicant. At the same time:
 - a. Other than non-resident Bangladeshi (NRB) and Foreign applicants shall make the application money and service charge available in respective customer account maintained with the Stockbroker/Merchant Banker. No margin facility, advance or deferred payment is permissible for this purpose. In case the application is made through a margin account, the application money shall be deposited separately and the Stockbroker/Merchant Banker shall keep the amount segregated from the margin account, which shall be refundable to the applicant, if become unsuccessful.
 - b. Non-resident Bangladeshi (NRB) and Foreign applicants shall submit bank drafts (FDD), issued in favor of the Issuer for an amount equivalent to the application money, with their application to concerned Stockbroker/Merchant Banker. The draft (FDD) shall be issued by the Bank where the applicant maintains NITA/Foreign Currency account debiting the same account. No banker shall issue more than two drafts from any NITA/Foreign Currency account for any public issue. At the same time, the applicant shall make the service charge available in respective customer account maintained with the Stockbroker/Merchant Banker.

Step-2 (Intermediary)

3. The Stockbroker/Merchant Banker shall maintain a separate bank account only for this purpose namely "Public Issue Application Account". The Stockbroker/Merchant Banker shall:
 - a. post the amount separately in the customer account (other than NRB and Foreign applicants), and upon availability of fund, block the amount equivalent to the application money;
 - b. accumulate all the application/buy instructions received up to the cut-off date, deposit the amount in the "Public Issue Application Account" maintained with its bank within the first banking hour of next working day of the cut-off date. In case of application submitted by the Stock-dealer or the Merchant Banker's own portfolio, the application amount should also be transferred to the "Public Issue Application Account";
 - c. instruct the banker to block the account for an amount equivalent to the aggregate application money and to issue a certificate in this regard.

4. Banker of the Stockbroker/Merchant Banker shall block the account as requested for, issue a certificate confirming the same and handover it to the respective Stockbroker/Merchant Banker.
5. For Non-resident Bangladeshi (NRB) and Foreign applicants, the Stockbroker/Merchant Banker shall hold the bank drafts (FDD) submitted by the applicants in their custody with a list containing the draft information against the respective applicant's particulars.
6. The Stockbroker/Merchant Banker shall prepare category wise lists of the applicants containing Customer ID, Name, BO Account Number and Number of Securities applied for, and within 03 (three) working days from the cut-off date, send it to the respective Stock Exchange in electronic (text format with tilde '~' separator) format and the certificate(s) issued by its banker.
7. On the next working day, the stock exchanges shall provide the Issuer with the information received from the Stockbroker/Merchant Bankers. Stock Exchanges shall verify and preserve the bankers' certificates in their custody.
8. The application/buy instructions shall be preserved by the Stockbroker/Merchant Bankers up to 6 months from listing of the securities with exchange.

Step-3 (Issuer)

9. The Issuer shall prepare consolidated list of the applications and send the applicants' BOIDs in electronic (text) format in a CDROM to CDBL for verification. The Issuer shall post the consolidated list of applicants on its website. CDBL shall verify the BOIDs as to whether the BO accounts of the applicants are active or not.
10. On the next working day, CDBL shall provide the Issuer with an updated database of the applicants containing BO Account Number, Name, Addresses, Parents' Name, Joint Account and Bank Account Information along with the verification report.
11. After receiving verification report and information from CDBL, the Issuer shall scrutinize the applications, prepare category wise consolidated lists of valid and invalid applications and submit report of final status of subscription to the Commission and the stock exchanges within 10 (ten) working days from the date of receiving information from the stock exchanges.
12. The Issuer and the issue managers shall conduct category wise lottery with the valid applications within 03 (three) working days from the date of reporting to the Commission and the Stock Exchanges, if do not receive any observation from the Commission or the Stock Exchanges.
13. The Issuer and issue managers shall arrange posting the lottery result on their websites within 06 (six) hours and on the websites of the Commission and Stock Exchanges within 12 (twelve) hours of lottery.

14. Within 02 (two) working days of conducting lottery, the Issuer shall:
 - a. Send category wise lists of the successful and unsuccessful applicants in electronic (text format with tilde '~' separator) format to the respective Stock Exchange.
 - b. send category wise lists of unsuccessful applicants who are subject to penal provisions as per conditions of the Consent Letter issued by the Commission in electronic (text format with tilde '~' separator) format to the respective Stock Exchange mentioning the penalty amount against each applicant.
 - c. issue allotment letters in the names of successful applicants in electronic format with digital signatures and send those to respective Stock Exchange in electronic form.
 - d. send consolidated allotment data (BOID and number of securities) in electronic text format in a CDROM to CDBL to credit the allotted shares to the respective BO accounts.

Step-4 (Intermediary)

15. On the next working day, Stock Exchanges shall distribute the information and allotment letters to the Stockbroker/Merchant Bankers concerned in electronic format and instruct them to:
 - a. remit the amount of successful (other than NRB and Foreign) applicants to the Issuer's respective Escrow Account opened for subscription purpose, and unblock the amount of unsuccessful applicants;
 - b. send the penalty amount of other than NRB and Foreign applicants who are subject to penal provisions to the Issuer's respective Escrow Accounts along with a list and unblock the balance application money;
16. On the next working day of receiving the documents from the Stock Exchanges, the Stockbrokers/Merchant Bankers shall request its banker to:
 - a. release the amount blocked for unsuccessful (other than NRB and Foreign) applicants;
 - b. remit the aggregate amount of successful applicants and the penalty amount of unsuccessful (other than NRB and foreign) applicants who are subject to penal provisions to the respective 'Escrow' account of the Issuer opened for subscription purpose.
17. On the next working day of receiving request from the Stockbrokers/Merchant Bankers, their bankers shall unblock the amount blocked in the account(s) and remit the amount as requested for to the Issuer's 'Escrow' account.
18. Simultaneously, the Stockbrokers/Merchant Bankers shall release the application money in the customer accounts; inform the successful applicants about allotment of securities and the unsuccessful applicants about releasing their blocked amounts. The unblocked amounts of unsuccessful applicants shall be placed as per their instructions. The Stockbroker/Merchant Banker shall be entitled to recover the withdrawal charges, if any, from the applicant who wants to withdraw the application money, up to an amount of Tk. 5.00 (five) per withdrawal.

19. On the same day, Stock Exchanges shall send the drafts submitted by successful NRB and Foreign applicants and also by unsuccessful NRB and Foreign applicants who are subject to penal provisions, to the Issuer.
20. In case of drafts (FDD) submitted by successful NRB or Foreign applicant for any amount excess to the value of securities to be allotted or by unsuccessful NRB and Foreign applicants who are subject to penal provisions, refund of the balance amount shall be made by the Issuer to the applicant through bank drafts issued in the same currency within 7 (seven) working days of receiving the drafts from Stock Exchange.

Miscellaneous:

21. The Issuer and Issue Manager(s) shall jointly ensure compliance of the above.
22. The bank draft (FDD) shall be issued considering TT Clean exchange rate of Sonali Bank Ltd. on the date of publication of abridged version of prospectus.
23. Amount deposited and blocked in the “Public Issue Application Account” shall not be withdrawn or transferred during the blocking period. Amount deposited by the applicants shall not be used by the Stockbrokers/Merchant Bankers for any purpose other than public issue application.
24. The Issuer shall pay the costs related to data transmission, if claimed by the Stock Exchange concerned.
25. The Stockbrokers/Merchant Bankers shall be entitled to a service charge of 5.00 (taka five) only per application irrespective of the amount or category. The service charge shall be paid by the applicant at the time of submitting application.
26. The Stockbroker/Merchant Banker shall provide the Issuer with a statement of the remittance and drafts sent.
27. The Issuer shall accumulate the penalty amount recovered and send it to the Commission through a bank draft/payment order issued in favor of the Bangladesh Securities and Exchange Commission.

All eligible Stock Brokers and Merchant Bankers shall receive the IPO subscription.

The IPO subscription money collected from successful applicants (other than NRB applicants) by the Stockbrokers/Merchant Bankers will be remitted to the Company's **MSND Account No. 401213100009660** with **Shahjalal Islami Bank Limited, Satmasjid Road Branch, Dhanmondi, Dhaka-1209, Bangladesh** for this purpose.

DECLARATION REGARDING TURNOVER IN CASH

All receipts and payments of Silva Pharmaceuticals Limited above Tk. 500,000 (Five Lacs) are made through banking channel. The company sells its products directly to the retailers, i.e. Chemist/Pharmacy. The company supplies products in 22,484 pharmacies across the country on an average 90 to 120 days' credit basis. No sales invoice exceeds more than Tk. 500,000.00. Hence, collection from one single customer for a single order is less than Tk. 500,000.00. The company's appointed Medical Promotion Officers (MPO) collect sales proceeds and deposits the sales proceeds at depots. Then cash collection from sales is deposited to company's bank account immediately. Thus, total turnover is initially made through cash and subsequently deposited to company's bank account.

MANAGEMENT DISCLOSURE

1. It appears that currently you have utilized 65% of production capacity. It appears that 35% of production capacity is unutilized. So, why the company is planned to go for further purchasing of machineries and civil construction. Explain your position regarding the same;

The Company has been trying to increase its production capacity. We need new machineries as well in order to produce different products. With the existing machineries, we need to take time to set up again for producing new products. With different product mix we can be competitive in the market to get more market shares.

2. It appears from the prospectus that actual capacity utilization of tablet, capsule, liquid and dry syrup for the year ended 30-06-2016 respectively 62.06%, 62.85%, 69.96% and 76.88% but you have stated that from IPO proceeds you will further purchase machineries. Explain;

The Company has been trying to increase its production capacity. We need new machineries as well in order to produce different products. With the existing machineries, we need to take time to set up again for producing new products. With different product mix we can be competitive in the market to get more market shares.

3. It is observed that inventories and Trade Receivables seem very high with total asset. Explain;

The management would like to inform that the company has 12 depots (DMO) all over the country; in addition, there is a central DMO and factory store. In order to support increasing trend of sales and production management have to keep huge inventory at DMOs as well as factory store to avoid any interruption. Moreover, the company is producing 116 products for which thousands item of active ingredients, excipients and other packaging materials are required to store. In the case of accounts receivable, management would like to inform that the company has 22,484 customers and in order to boost up sales management need to sell on credit to these customers. Hence our inventories and trade receivables need to be maintained at higher level.
